# Bubble Necklace & Earrings

### NECKLACE

Repeat Step 1 to Step 52 of the Bubble Necklace but make note of the following:

- In Steps 12, 13, 33 and 34, the number of seed beads you will add, depends on the size of the two-hole bead you are using. In most cases, you will need to add four seed beads but for 7mm Czechmates two-hole cabochons, adding five seed beads works better and for Preciosa Candy beads, adding six seed beads to each side works better.

### EARRINGS

Repeat Step 1 to Step 14 of the Bubble Earrings but make note of the following:

- In Step 3 and 4, the number of seed beads you will add, depends on the size of the two-hole bead you are using. In most cases, you will need to add four seed beads but for 7mm Czechmates two-hole cabochons, adding five seed beads works better and for Preciosa Candy beads, adding six seed beads to each side works better.
