MATERIALS:

- 3 yards of 6lb FireLine
- Approximately 80 size 11 seed beads
- Approximately 100 size 4mm bicone crystals
- clasp

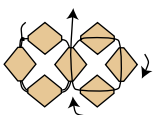

STEP 1: Thread your needle with 3 yards of Fireline. String four bicone crystals. Leaving about a 14-inch tail for attaching one end of the clasp, tie the beads in a circle with a double knot:

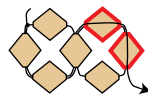

STEP 2: Go back around through three of the bicone crystals that you added in the last step:

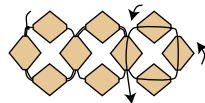

STEP 3: String three bicone crystals. Go around and back up through the bicone crystal that you exited at the end of the last step:

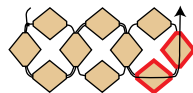

STEP 4: Continue back around through two of the bicone crystals that you added in the last step (highlighted in **RED**):

STEP 5: String three bicone crystals. Go around and back down through the bicone crystal that you exited at the end of the last step:

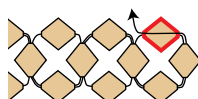

STEP 6: Continue back around through two of the bicone crystals that you added in the last step (highlighted in **RED**):

STEP 7: Repeat Step 3 to Step 6 until your bracelet is the length you want it, *minus* about a half-inch and the length of your clasp:

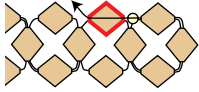

STEP 8: At the end of your bracelet, go back across through the bicone crystal highlighted in **RED**:

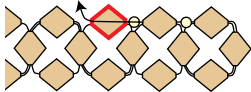

Now you'll add a row of seed beads in between each bicone crystal along the top of your bracelet.

STEP 9: String a seed bead and go across through the bicone crystal highlighted in **RED**:

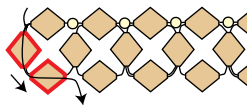

STEP 10: String another seed bead and go across through the next bicone crystal along the top side of your bracelet (highlighted in **RED**):

STEP 11: Repeat Step 10 until you get to the end:

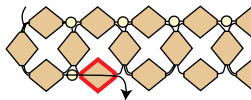

STEP 12: Go around through the two bicone crystals highlighted in **RED**:

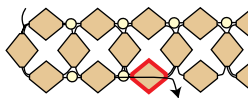

Now you'll add a row of seed beads in between each bicone crystal along the bottom side.

STEP 13: String a seed bead and go across through the bicone crystal highlighted in **RED**:

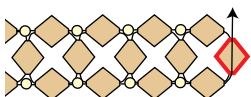

STEP 14: String another seed bead and go across through the next bicone crystal along the bottom side of your bracelet (highlighted in **RED**):

STEP 15: Repeat Step 14 until you get to the end:

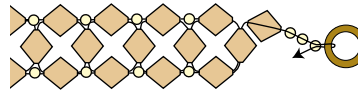

STEP 16: Go up through the bicone crystal highlighted in **RED**:

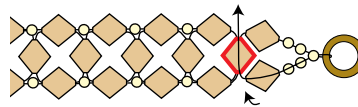

STEP 17: To attach one end of the clasp, string a bicone crystal and three seed beads.

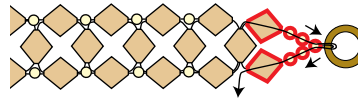

Go through your clasp and then back through the last seed bead that you just strung:

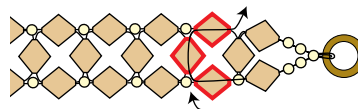

STEP 18: String two seed beads and a bicone crystal. Go up through the bicone crystal highlighted in **RED**:

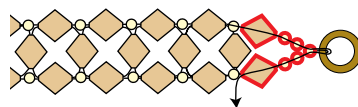

STEP 19: Go back around through the bicone crystal, the seed beads, through the clasp, the seed beads and the bicone crystal highlighted in **RED**:

STEP 20: String a seed bead. Go around through the three bicone crystals highlighted in **RED**:

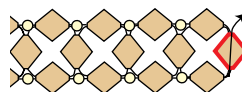

STEP 21: String a seed bead. Go back around through the bicone crystal, the seed beads, through the clasp, the seed beads and the bicone crystal highlighted in **RED**:

Weave back into the bracelet, knot in several places and cut your thread.

STEP 22: To attach the clasp to the other side of the bracelet, thread your needle with the tail from Step 1.

Go up through the bicone crystal highlighted in **RED**:

Repeat Step 17 to Step 21.
