

Mini Crescent Earrings

MATERIALS

- about 2 yards of 6 lb. FireLine
- about 120 size 15/0 Miyuki (rocaille) seed beads
- about 50 size 11/0 Miyuki (rocaille) seed beads
- 2 size 6mm beads (round or fire-polished)
- 10 Matubo Mini GemDuo beads
- two 3-4mm closed (soldered) jump rings or two Beadsmith Bead Ending Cymbal Elements
- a pair of earring findings

ADDENDUM

Use Matubo Mini GemDuo beads, size 11/0 and 15/0 Miyuki (rocaille) seed beads and 6mm beads for some substantially smaller earrings—just an inch high, not including findings!

Substitution Instructions

Repeat Steps 1 to Step 34 but make the following substitutions:

- Instead of size 11/0 Miyuki seed beads, use size 15/0 Miyuki seed beads.
- Instead of size 8/0 Miyuki seed beads, use size 11/0 Miyuki seed beads.
- Instead of size 8mm beads, use size 6mm beads (round or fire-polished).
- Instead of size 3mm beads, use more size 11/0 Miyuki seed beads.
- Instead of GemDuo beads, use Matubo Mini GemDuo beads.
- On Steps 25 to 29, instead of adding a 3mm bead as directed, add two size 11/0 Miyuki seed beads.

You can find more pictures and info on exact beads used at the end of the pattern page on my website here:
